CS 6501i - FLEXIBILITY MEETS EXCEPTIONAL PERFORMANCE

Long-life technology and superior performance have long been the cornerstone of Copystar multifunctional devices. But now it's about so much more. It's about maximizing the investment you've made in technology that will meet your needs, maximize your workflows and drive your business forward. Which is exactly what you will get from the highly flexible Copystar CS 6501i.

Whether you need the power to print high volumes of professional quality pieces, or an intuitive on-ramp to your document management system, the CS 6501i is there for you, keeping your business flowing with ease. Need to automate a manual process or allow mobile workers the convenience of device accessibility when they are out of the office? With the CS 6501i your specific needs are always top of mind. Its powerful and scalable integrated business applications can streamline your document workflow and simplify daily tasks. And, combined with KYOCERA's award winning long-life technology, you'll have the confidence of a strong and reliable MFP that delivers when you need it.

Say hello to document imaging innovation and flexibility at its very best.... The CS 6501i, only from KYOCERA.

PEAK PERFORMANCE, DESIGNED FOR YOU

No two businesses are alike, and neither are your document imaging needs. But one thing every business has in common is the need to keep its most important asset, information, flowing seamlessly. The CS 6501i offers all the productivity-enhancing features high volume users expect in an MFP, with the ability to configure the device to meet your specific workflows, both in-house and on-demand:

- Impressive 65 ppm output keeps pace with your needs
- 270-sheet Dual Scan Document Processor enables you to effectively share documents either in print or digitally, at speeds up to 180 ipm
- Versatile paper handling for mixed-media capabilities, plus a large standard capacity for uninterrupted printing
- Various finishing options produce impressive reports, newsletters, presentations and more

STAY CONNECTED AND WORKING - NO MATTER WHERE THE JOB TAKES YOU

Business today often takes place beyond the office walls. The powerful capabilities of the CS 6501i mirror the needs of today's on-the-go workforce, providing the freedom to go wherever your business does, while still having access to your information:

- Built-in Gigabit Ethernet for high-speed data processing
- USB host interface for print-from and scan-to convenience
- Standard OCR to search/share PDFs created at the device
- Apple AirPrint™ enabled for iOS devices

KEEP VULNERABLE INFORMATION SAFE

Whether for compliance purposes or to protect sensitive information, document security is a primary concern of most businesses today. No matter the level of protection you require, Copystar devices deliver, with standard software-based security solutions as well as optional enhancements:

- Shield sensitive documents from interception through standard 256-bit encryption, Private Print and user authentication
- Enable faster sign-in and reduce costs by eliminating unauthorized access with the optional HID badge swipe feature
- Protect printing and sharing of frequently used information via secure Document Box storage to the MFP's hard drive
- Safeguard your hard drive's critical business documents with the overwrite and encryption abilities of the optional Data Security Kit
